

About Us

The Trusted Technology Partner in **Parking Compliance and Curbside Payment Solutions**

By simplifying how municipalities manage and monetize the curb, Passport empowers local leaders across North America to boost compliance, unlock new revenue opportunities, and improve how people move around their communities.

From parking enforcement, mobile pay parking, digital permitting, payments, and more, Passport helps cities thrive by delivering the tools and insights they need to meet evolving mobility challenges and create community-focused outcomes.

Our Products

Compliance

A cloud-based enforcement and citation management system that delivers real-time access to data and actionable insights

Paid Parking

A scalable solution that simplifies parking payment management with mobile and digital payment options

Payments

A unified, cost-effective payment solution designed to streamline parking and mobility operations

Permits

Digital permitting and meter bagging solutions that eliminate paper and manual processes for greater efficiency

Our Commitment to Cities

Passport works with municipalities to modernize and unify curb management operations through a centralized solution. Our expertise in seamless transitions and focus on supporting cities' needs is helping communities of all sizes thrive.

Core Benefits

Centralized Data and Insights

View, manage and take action all through Passport for a more streamlined operation.

Open Platform Model

Leverage Passport's open APIs to add vendors using a scalable digital infrastructure.

Outcome-Focused

Use Passport's platform to drive compliance, boost revenue and improve user experiences.

Additional Solutions

Performance Benchmarking: Leverage data from other cities and compare outcomes to make informed decisions that can influence policy.

Meter & Pay Station Payments: Manage, view, and reconcile all curbside transactions in a single, integrated system.

Photo Enforcement: Enhance safety and ensure compliance in your off-street, frictionless environment.

SpotBlock™: Optimize the value of curb assets with Passport's digital meter bagging and reservation system.
